Riviera Lifeline is a charitable organization that relies on volunteers to enable it to fulfill its charitable activities in support of seniors in need.

As a member, you can contribute to this by:

- Joining the Visitors Group as a regular or occasional visitor to seniors in their own homes
- Driving an older person to or from social events or appointments
- Becoming a 'Phone Friend' to keep seniors living alone in touch
- Offering a particular skill or expertise to assist in the running of the organization
